

To be observed on the premises and in the cross-docking terminal – safety first!

- ✔ Pay attention to all prohibition, mandatory or information signs in all areas
- ✔ Follow instructions from the BurSped-staff immediately
- ✔ Keep to the given direction of traffic at all times while on company premises – the one-way traffic system is signposted!
- ✔ When your vehicle is stationary, always switch off the engine of your vehicle and assure it with splins against roll away
- ✔ Filling up with, or changing, fuel or lubricants on the company premises is forbidden
- ✔  Smoking is forbidden throughout overall premises. Exceptions are marked
- ✔  Wear personal protection equipment (work and safety shoes)
- ✔  Wear a safety vest
- ✔  Pay attention to fork-lift truck traffic, as these vehicles have priority
- ✔  Follow the indicated pedestrian ways, access to the cross-docking terminal without BurSped-staff is forbidden
- ✔ Any damage caused and any leakages that occur are to be reported immediately to the BurSped-staff – also potential origin of danger
- ✔ Eating and drinking is strictly forbidden in the cross-docking terminal!

Emergency management and procedure in case of fire or emergency

- ✔  Leave by the nearest escape route when you hear the acoustic warning signal or an announcement to leave the building (escape route plans)
- ✔ People who are not behaving appropriately request that these people leave the danger area
- ✔  Go to the indicated assembly point immediately (at the light tower, near the main gate, in front of the pedestrian bridge)

Procedure in case of any accidents or injuries

- ✔  Inform the BurSped-staff immediately; help can be provided straight away by someone qualified in first aid, or an ambulance can be called

On receiving the visitor's pass and the visitor information you agree to our safety instructions.

Thank you for your visit. We hope that it was successful. We are looking forward to see you here again.
